

Update to Cadis Device from the 25/10/21 on all Bulk Deliveries.

1. Paper ticket is to be completed as normal – ensuring that you have obtained the name of the person who is giving permission to discharge and their signature.
2. If the customer refuses to sign due to Covid issues print their name and PP with your signature on the paper ticket.
3. **There is no longer a requirement to add PERMISSION TO DISCHARGE or PART LOAD return information in the COMMENTS BOX.**

5. As illustrated below please ensure that you enter the name of the person who has given permission to discharge on the Cadis Device signature screen.

6. Driver then signs for the delivery on the Cadis device as shown above.

Any queries please see your Training Supervisor.
